

PUBLIC LEDGER

WEEKLY REPUBLICAN—1887.
DAILY PUBLIC LEDGER—1891.

MAYSVILLE, KY., WEDNESDAY, OCTOBER 11, 1905.

ONE COPY—ONE CENT.

"PUSH—DON'T KNOCK."

Upon the door I saw a sign:
I cried, "A motto! And it's mine!"
A wiser thing I never saw—
No Median or Persian law
Should be more rigidly enforced
Than this, from verbiage divorced—
Its logic's firm as any rock—
"Push—don't knock."

"Twas simply meant to guide the hand
Of those who wish to sit or stand
Within the unassuming door,
This weight of sermon that bore.
Twas never meant to teach or preach,
But just to place in easy reach
The ear of him who dealt in stock—
"Push—don't knock."

But what a guide for life was that—
Strong, philosophical and pat;
How safe a chart for you and me
While cruising o'er life's restless sea;
Push, always push, with goal in view:
Don't knock—avoid the hammer crew.
This rule will save you many a shock:
"Push—don't knock."

When on that door I see the sign,
I say, "Great motto, you are mine!"
No stronger sermon ever fell
From human lips; no sage could tell
The hot-head youth more nearly how
To point always his vessel's prow:
There are no wiser words in stock—
"Push—don't knock."

—Baltimore American.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

P. J. MURPHY, the Jeweler.

Manager Levi Stevens of the Electric Light and Gas Plant, in excavating in front of the Limestone Cigar Factory yesterday for the purpose of replacing a gas pipe, opened up a subway that extends across Second into Court street. It was about three feet in diameter and without masonry of any kind. Those who saw it could give no account of its origin. Possibly Colonel William Hixson can elucidate the mystery.

NOT FOUND YET

Edward Cummins Disappeared From East End Coal Fleet

The sudden and mysterious disappearance of Edward Cummins from a coal barge at the East End landing Sunday night has caused many to believe that he is drowned.

Mr. Edwards, Manager of Malone & Walton's coal fleet, had the man employed, and the night in question left him pumping on a barge while he went up to the office, a short distance from the boats, to get some matches to light the lanterns. When he returned, having been absent but a few minutes, Edward was nowhere to be found.

The fact that the missing man was subject to fits, and that his coat was found close by the pump, gives color to the theory that he was suddenly taken with a fit and fell into the river.

A search has been made in the river near the boats for his body. Mr. Edwards is firmly of the opinion that the man is drowned.

PUBLIC LIBRARY

Now a Thing of Beauty and a Joy Forever

That the Maysville and Mason County Library is duly appreciated and growing in public favor under the wise management of Miss Richeson, it is only necessary to state that from October 4th, 1904, to October 4th, 1905, over 3,000 books have been taken out by patrons of the Library.

During that period 61 books have been donated and yearly subscriptions to five standard magazines have been received.

Through the willing and able assistance of the Directors Miss Richeson has transformed the place into a perfect bower of beauty and usefulness.

There is not a similar institution in the state that has a better selection of books, and at the rate new volumes are being added it will not be many years until it will rank with the best Libraries in Kentucky.

Miss Richeson is the right person in the right place, and her selection for the position was a wise and happy one.

A NEW FIGHTING RACE.

In capturing Port Arthur the Japanese achieved what the world thought impossible, what the Russians and the indomitable Stoessel were positive was utterly impossible. In the achievement they made a new record as a race of fighters in the world's history. It is this new fighter and the very scene of this immortal struggle that will be produced by Lyman H. Howe at The Washington Saturday, October 14th, matinee and night. This wonderful reproduction is not faked. It is so grimly authentic that there is no disputing its absolute genuineness. It is moreover exhibited by Lyman H. Howe, and by him only. Seats on sale Thursday morning.

Mr. C. B. Sutton, one of Aberdeen's best citizens, yesterday moved his excellent family to East Walnut Hills, Cincinnati.

ALL Ohio is smiling over her \$200,000,000 wheat crop. It's mighty hard to beat Republican Prosperity.

PURITY in political life is becoming a National issue; but the disease has not put in an appearance in Kentucky.

NEVER in the history of Mason county did the Republicans have such an opportunity to win—an opportunity that has been literally thrown away.

A CINCINNATI man attempted suicide because he owed \$8 and hadn't the money to pay it. If any delinquent subscriber will do likewise, he shall have the best obituary "pome" in the shop.

SUNDAY was a day of rioting and bloodshed in Moscow, Russia's ancient Capital. Police and troops opened fire on the populace, and many were killed and wounded. As Mister WITTE proved himself such a successful peace-maker at Portsmouth, he should try his hand at home.

THE Louisville Herald has been making great raw places on the backs of the gangsters and sprinkling salt on them. To an outsider, it looks like it would require another "Bloody Monday," or a duplication of the Tom CAMPBELL outbreak in Cincinnati, to bring the people of Louisville to a realization of political conditions in that city.

It is bad leadership that seeks to perpetuate itself by Republican defeat.

THE people of Kansas have been fooling with another gold brick scheme. There is every reason to believe that if Governor Hock succeeds in bringing before the people again the State Refinery proposition it will meet with an entirely different reception. Many people who were heartily and conscientiously in favor of a State Refinery a year ago are not now. Those who at first favored the proposition did not foresee the extent to which the fight would be carried. They have not thought of a crusade which would actually paralyze the oil business and they have never dreamed of an attempt to drive the Standard out of the state, or of frightening capital away from Kansas. But that is what the extremists did. It proved a bad thing for Kansas, because the agitation was carried too far, as all similar agitations are.

Political Pickings

THE CONSTITUTIONAL AMENDMENT.

Cynthiana Democrat.

The proposed amendment to the Constitution to be passed upon at the polls in November should be carefully considered and, in our judgment, defeated. In proposing to return to the old viva voce method of voting lurks more than one danger. There is a danger that threatens the life of the Constitution itself. The Constitution was framed in 1890 after months of deliberation. Its ratification was bitterly fought by the managers of corporations, by corporation attorneys, by politicians large and small, and by every element that seeks advantages denied the man who earns his bread by the sweat of his brow. Despite these powerful influences the Constitution was adopted, and the people are satisfied with it. To return to the old method of voting means to return to the intimidation of voters, buying and selling, and the reign of disorder and violence at the polls. It means that employees, regardless of their conscientious opinions, must vote the will of their employers. It means the disfranchisement of the quiet, peaceable citizen who is unwilling to run the gauntlet of thugs and bullies at the polls. It would deprive the voter of his right to cast his ballot without fear of intimidation of any character. But the most serious danger in a return to the old method lies in future onslaughts upon the Constitution itself, whereby greed and graft may obtain full sway.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

"The time-worn injunction, 'Never put off 'til to-morrow what you can do to-day,' is now generally presented in this form: 'Do it to-day!' That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Roschke's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

SUCCESSFUL MEETING

Close of Rev. J. M. Evans's Good Work in Pike County

The following notice is taken from The Christian Observer:

"Rev. J. M. Evans spent September laboring for the Society of Soul Winners. At the invitation of Rev. E. O. Guerrant he went to the assistance of two young men who had been laboring for the Society during the summer. He preached fifty-four times, visited one hundred and ten homes, and addressed several day schools. One hundred and fifty-five expressed an interest in the subject of religion, many of whom professed faith in Christ. Mr. Evans is now laboring with Rev. Alfred Erickson at Phelps, Ky."

Mr. Evans returned to Maysville yesterday. He reports great interest in the meeting in which he assisted Mr. Erickson, who is in charge of the new College established at Phelps, in Pike county. A notable fact is that a grandson of the leader in the Hatfield-McKoy feud is a candidate for the ministry in the Presbyterian Church. There were twenty-seven additions to the Church at Phelps.

Representative J. B. Bennett will recommend for the Catlettsburg Postoffice the reappointment of the incumbent, W. C. Harper.

The gage marks 5.3 and falling.

The Tacoma will be up tonight for Pomeroy.

The Greenland passed up this morning with a good freight trip.

The Catherine Davis passed up with a tow of empties for the Kanawha.

Pomeroy and Charleston packets are having fair business in passengers and freight.

The larger of the boats on the Queen City Marine Ways will not be let off the cradles at present on account of the low stage of water.

Cincinnati seems certain to have a boat soon in the Kentucky river trade. Then the "scrap" for the business will begin between that city and Louisville.

Pilot James Kay is on the Woodruff while the boat is at work on the lower Ohio. The river is at a good stage for her to do lots of good work on the trip down and back.

For the purpose of making soundings and observations down the Ohio the following Captains started from Cincinnati Sunday in a skiff for Wheeling: J. A. Grace of the Volunteer; Charles Sloan of the Rival; John E. Robinson of the Stella Moren; John H. Hudson of the J. C. Risher and William Cowan of the J. N. Bunton.

At Pittsburgh, scores of idle men stand about these days waiting for a rise that will send down stream the millions of bushels of coal ready for shipment. The crowd of idlers has been greatly increased during the past week by the laying off of 300 men by the Monongahela River Consolidated Coal and Coke Company. The men are carpenters and boat builders, and are not needed by the coal company at present.

GRAVE DISEASES, DUE TO STANDING

Facts About Miss Merkley's Dangerous Illness and Complete Cure

Have you ever thought why so many women or girls rather walk an hour than stand still for ten minutes?

It is because most women suffer from some derangement of their delicate organism, the discomfort of which is less trying when they are in motion than when standing.

In some states laws compel employers to provide resting places for their female employees.

But no amount of law can regulate the hard tasks of these women. They must get the strength which this work demands or run the risk of serious diseases and the surgeon's knife.

Read about the experience of Miss Margret Merkley, 275 3d Street, Milwaukee, Wis.:

Dear Mrs. Pinkham:— "Gradual loss of strength, nervousness, bearing-down pains and extreme irritation compelled me to seek medical advice. The doctor said I had ovarian trouble and ulceration of the womb, and advised an operation if I wanted to get well. I objected to this and decided to give Lydia E. Pinkham's Vegetable Compound a trial. I soon found that all the good things said about this great medicine were true. The ulceration soon healed, backache, headache and nervousness disappeared, and in a short time I was strong, vigorous and perfectly well. I wish every working girl who suffers would try Lydia E. Pinkham's Vegetable Compound."

Lydia E. Pinkham's Vegetable Compound is a vegetable tonic which invigorates and strengthens the entire female organism, and will produce the same beneficial results in the case of any sick woman as with Miss Merkley.

Amethyst is from a Greek word signifying a remedy against drunkenness, it being supposed that wine drunk from a cup made of amethyst would not intoxicate.

DON'T BE SATISFIED.

Why Be Content With Relief From Backache When a Maysville Woman Shows You the Cure.

Don't be satisfied with relief. Brief freedom from backache. Reach the root of the trouble. Cure the cause, and backache disappears for good.

It can be done. Doan's Kidney Pills make lasting cures. Experience of Maysville people prove this. Here's one Maysville case of it: Mrs. Lizzie Bridges, wife of Elmer Bridges, of 206 West Third street, Maysville, Ky., says:

"In March, 1900, I gave a testimonial praising and recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood, and in my efforts to find a cure I tried every medicine I could find, but without benefit until I began using Doan's Kidney Pills procured at J. Jas. Wood & Son's Drugstore. They proved just the remedy I needed, went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
